SUMMARY

A motivated and dedicated student pursuing a B.S. in Computer Science with a keen interest in advancing to an M.S. in the same field. With two years of hands-on coding experience in Python and Java, coupled with a strong drive for ongoing learning and skill enhancement. Eagerly seeking a summer internship opportunity to cultivate proficiency in additional programming languages and further refine problem-solving abilities.

EDUCATION

Bachelor of Science, Computer Science   May 2026

Monmouth University | West Long Branch, NJ

Relevant Coursework: Data Structures and Algorithms, Data Structure and Algorithms Lab, Computer Architecture
GPA: 3.47/4.00

KEY SKILLS

Languages: Python, Java, Assembly Language
Web Technologies: HTML, CSS, JavaScript
Operating Systems: Windows
Tools: Eclipse, Visual Studio Code, GitHub

PROJECTS

Personal Portfolio Project   **Spring 2024**
- Designed and implemented a responsive layout using **HTML** and **CSS** for optimal viewing on various devices to showcase skills and projects
- Integrated links to external resources including a resume, GitHub profile, and LinkedIn
- Incorporated navigation functionality and section organization for easy navigation and accessibility
- Utilized **JavaScript** for interactivity and enhanced user experience, with potential for future expansion and improvement

Bestsellers Project   **Spring 2023**
- Designed, implemented and tested a program in **Python** which allows the user to search a subset of the books which have appeared in the New York Times best seller lists
- Input the data set from bestsellers.txt and construct a list of books
- Displayed an appropriate exception error message and halt the program if the list of books cannot be constructed
- Displayed a menu of options and allow the user to search for books after constructing the list of books

PROFESSIONAL EXPERIENCE

Lifeguard   June 2020 - Present

Ship Bottom Borough | Ship Bottom, NJ

- Prioritize making live action and life-saving decisions based on the daily water conditions
- Administer first responder skills such as First Aid and CPR to provide optimal support to individuals
- Respond to emergency situations in a timely and efficient manner, ensuring the safety of all individuals involved
- Educate patrons on safety protocols and enforce safety rules to ensure a pleasurable environment for all
- Oversee the safety of guests in the ocean and on the beach by actively monitoring the swimmers to identify distress

CERTIFICATIONS

- Advanced First Aid for Non-EMS Personnel, American Safety and Health Institute, April 16, 2023 - Active

LEADERSHIP AND CAMPUS INVOVLEMENT

Vice President of Surf Club, Monmouth University, 2024
